Introduction

Summer is always a very one important time for parents and children every year. At Irvine Art And Music, we are dedicated to provide our students with beneficial learning experiences as well as enjoy their vacation. Our 2021 Summer Camp will include a variety of classes for children which will not only prep for the upcoming school year, but also stimulate them with fun activities.

Morning Academic Classes **(K - 8th)**

Mon-Fri (9:00 am -12:00 pm)

Start ahead for the next school year! This program covers major topics of Common Core that your child needs to know in the upcoming school year in the fall: including grammar, reading comprehension, vocabulary, math, and problem-solving techniques. Give your child the tools to succeed before entering the next school year while still enjoying summer vacation.

Afternoon Extracurricular Activities (K – 8th)

Mon-Fri (1:00 pm -5:30 pm)

Join our fun activities! This afternoon program provides a safe environment for your kids along with exceptional opportunities to explore a variety of stimulating activities. The program's activities include music education, arts & crafts, science and social studies concepts, easy cooking, board games, outdoor exercises, and field trips. We want to inspire your children to understand that learning can be found everywhere!
